

BJFL Managers Guide

- 1) All results have to be submitted by midnight on the day of the fixture; both Managers must submit a result and if these do not match then the fixture will not be updated, so please make sure that the result is submitted correctly.
- 2) Central venue results to be submitted as early as possible, deadline is midnight on the day of the fixture.
- 3) General guideline at central venues.
 - a) No warming up on the actual pitches, these have to last us all season.
 - b) Do not enter the astro facility until the current fixture has finished.
 - c) Only 2 named adults allowed pitch side per team per fixtures, this is an insurance requirement.
 - d) Players are NOT ALLOWED to wear trainers, metal studs or blades on the astro surfaces.
 - e) Kick-off times MUST be adhered too, if a team delays kick-off then the referees have been instructed to cut the fixture short.
- 4) The BJFL will ONLY use Twitter or Email to contact Clubs/teams, Facebook WILL NOT be used.
- 5) 11-a-side teams (home team) MUST confirm the fixture with both appointed referee and opposition Manager no later than Thursday 8pm
- 6) In order for a new or transferred player to be eligible to play on a Saturday or Sunday they must be registered in WGS no later than preceding Wednesday at 18.00.
- 7) Behaviour
 - a) Managers are responsible for all of their spectators during a fixture and need to ensure that spectators are seen and not heard.
 - b) Please respect our central venues, these are all we have and should we lose a venue because of bad behaviour then just consider how many young children will be without football each week.
- 8) U7 - U12 Managers (Central Venues), Referees MUST be paid before kick-off as they all will have a game immediately after your game.
- 9) U13 to U18 referees fees have increased slightly (U13 & U14 = £26. U15 & U16 = £28. Youth = £30)
- 10) 11-a-side home teams to pay the referee except if it is a cup fixture then the fee is split 50/50.
- 11) We will be using The FA's Matchday APP or results submission and a brief guide can be found on our FT page (see link below).

For any league queries please contact your Club Secretary directly, direct queries from managers will not be answered.
