New Clubs applying to join The BJFL

The BJFL is a Charter Standard League and as a result all new Clubs applying to join The BJFL must either be a CS accredited Club or able to provide a time based schedule for CS application.

During the new Club interview process the CS schedule must be provided and discussed and agreed by the interviewing Committee.

Once agreed the new Club will be required to sign an agreement stating that if the CS schedule is not adhered too then the Club will be removed from membership.
