

Activity Risk Assessment: KEY

This risk assessment is assessed as – LOW RISK				
Risk Calculation Matrix				
Severity	Description	Likelihood	Description	
1	Slightly Harmful	1	Highly unlikely	
2	Harmful	2	Unlikely	
3	Extremely harmful	3	Likely	
Risk Classification				
Note: Risk = Likelihood + Severity.		Severity.		
		1	2	3
Likelihood.	3	4	5	6
	2	3	4	5
	1	2	3	4
Risk Classification and Action				
Designation	Classification	Action		
5 – 6	Unacceptable	No activity to be played until risks are reduced.		
4	Tolerable	Activities can commence, if all control measures are in place and observed.		
2 – 3	Low	Activities have little or no risk and may continue.

Planned review date: -

Before you travel to The Washlands Sports Club Limited.

We request that everyone undertakes the following self-screen check list before travelling to The Washlands Sports Club Limited. If you answer 'yes' to any one of the questions you should not travel to The Washlands Sports Club Limited and follow all applicable Government Guidance (e.g. call NHS 111).

It is important to remember some people can pass on the virus before they develop any symptoms, or never have symptoms despite being infectious.

Any person coming to The Washlands Sports Club Limited should self-screen prior to their arrival, to ensure that they do not have any of the following symptoms (confirmed by a parent for those under the age 18), as these are potential indicators of Covid-19 infection.	No	Yes
Do you have a high temperature? (above 37.8°C)	☐	☐
Have you a new continuous cough?	☐	☐
Are you unusually short of breath?	☐	☐
Do you have a sore throat?	☐	☐
Have you experienced loss of or change in normal sense of taste or smell?	☐	☐
Or are you feeling generally unwell?	☐	☐
Been in close contact with/living with a suspected or confirmed case of COVID-19 in the previous two weeks.	☐	☐

Remember, if you answer yes to any of the above **DO NOT** travel and follow all applicable Government Guidance (e.g. call NHS 111)

BJFL use of Cricket Field: Activity Risk Assessment
